

Yacht Charter in Fethiye

HOT SPOTS TO VISIT ONBOARD YOUR YACHT CHARTER IN FETHIYE IN 2020

Fethiye is a popular resort and interesting place to visit, with its large harbour accommodating many yachts and gulet options. Not only is Fethiye perfectly situated for nearby Gocek Gulf and its many fantastic islands, it can also be a starting point for sailing routes heading further east in the Med. A short transfer from Dalaman International airport. Yacht charter in Fethiye is a great opportunity to experience beautiful coasts of Turkey.

Fethiye is one of the most famous resorts in Turkey. Laden with history and ancient ruins that tell their own stories, this city is a perfect vacation destination for those who love history and nature. It lies in the Mediterranean region and is also a popular international tourist destination. In ancient times, it was named Telmessos.

This city was also a part of the great Persian Empire and the Ottoman Empire, in different time periods. It even has connections to Alexander the Great. Later, it was renamed as Fethiye, to honor Fethi Bey. He was a pilot in Ottoman Air Force who was killed during a mission. So, are you excited to visit such a historically rich city? If you consider chartering a yacht you will be able to fully explore the whole Fethiye region.

Sailing from Fethiye with your hired gulet or private gulet can be the best choice to see various natural beauties and watching sunbathing from different destinations. Basically you should swim at, famous place, Oludeniz while sailing from Fethiye destination. You have a chance to see secluded beaches, bays where you find peace. You can also visit local markets and buy gifts for your friends or family. You visit 2 or 3 different destinations in a day and end of the day you may eat out of the gulet if you want. So, it's possible to taste different meals (traditional or global cuisine, it's all up to your choice) every day in different places. With the protected nature, the bays of Fethiye charm you every single day. From April to October, the weather conditions in Fethiye are appropriate for sailing. Each month has its own benefit to sailing thanks to the weather and seawater temperatures. Fethiye is one of the most important embarkation places for Blue Cruise in Turkey, so you won't feel
