

# About Us

 Gulet Broker is a successful and fast-growing company for the gulet charter and brokerage sectors in Turkey. Gulet Broker head office is in Marmaris, Turkey. Also, we offer our services from our offices in Croatia and Greece.

Gulet Broker does not only offer private gulet charter services. Also, it is possible to organize cabin rentals tailored to your style and taste. As Gulet Broker Agency, we provide high-level and quality service. Our yacht portfolio is suitable for every budget and expectation. It covers a wide variety of gulets. Gulet Broker also offers motor yachts and superyachts.

## Gulet Broker Team

We have an experienced, professional, and hardworking team to provide quality service. Always, we have been awarded five stars in the communication of our guests. Our goal is not just to meet customer expectations. We will continue to provide services that exceed our customers' expectations. And we will always be keeping this line.

As a well-established yacht charter and brokerage company, we have been operating since 2002. With our expertise and knowledge of the yachting industry, we have a proven record in quality sales and services; and have sold over 34 gulets around the world; inclusive of Croatia, Italy, Cyprus, Bulgaria, Finland, Ukraine, and the United Kingdom, to name a few.

Constructing and designing gulets for clients is another part of the business we take pride in. Also, we have the means to build gulets to suite your taste and requested specifications, from start to completion. The winter season is the most appropriate time of the year to start construction on a gulet. Highly professional master hands will provide all necessary help to make your dream gulet design come true. To compliment this area of our company, we also provide gulet repairs and maintenance from our own shipyard in Bozburun, Turkey.

Our references speak for themselves. We look forward to serving you on your next gulet charter, yacht purchase, or yacht management and maintenance requirements.
